

# Unlocking solutions to your oil & gas key technical challenges

---

/EINPresswire.com/ Over the past 7 years, [Praxis Global Research](#) have been involved in providing the [oil and gas industry](#) with technical learning opportunities through unrivalled interactive technology [workshops](#).

It's a one stop shop for petroleum industry professionals to address training needs, through knowledge sharing and interactive discussions in an innovative environment.

Our team aims to share knowledge, discover solutions, and build communities across the industry worldwide.

Moreover, with our corporate offices located in Dubai and Panama, we are strategically located at the hub of the world's oil and gas regions to reach the growing demand for training and workshops worldwide.

Here at Praxis Global Research, we bring together leading industry thinkers and practitioners – the best in oil and gas!
