Collaborative Shared Technologies LLC® Achieves Disability:IN SDV-DOBE Certification

Certification strengthens supplier diversity positioning and expands opportunities for corporate partnerships, teaming and subcontracting.

Collaborative Shared Technologies LLC® achieves Disability:IN Service-Disabled Veteran Disability-Owned Business (SDV-DOBE) certification, strengthening its commitment to supplier diversity, disability inclusion and veteran entrepreneurship.

UPPER MARLBORO, MD, UNITED STATES, November 27, 2026 /EINPresswire.com/ -- Collaborative Shared Technologies LLC® is proud to announce that it has achieved certification as a Service-Disabled Veteran Disability-Owned Business (SDV-DOBE) through Disability\:IN's Supplier Inclusion program.

This nationally recognized certification represents another significant milestone in the company's commitment to veteran entrepreneurship, disability inclusion, supplier diversity and professional services excellence.

The Disability\:IN Supplier Inclusion program certifies disability-owned business enterprises, including service-disabled and veteran disability-owned businesses, and connects them with organizations seeking to strengthen their supply chains through supplier inclusion.

"Receiving Disability\:IN certification represents more than another business credential. As a retired United States Air Force veteran and entrepreneur, I understand the importance of creating meaningful opportunities for veterans and individuals with disabilities. This certification strengthens our ability to establish strategic partnerships, contribute to inclusive supply chains and deliver innovative solutions that support organizational performance and mission success,"

said Asha Aziza Peterson, Founder and Chief Executive Officer of Collaborative Shared Technologies LLC®.

Expanding Supplier Diversity Credentials

The Disability\:IN certification complements the company's existing portfolio of federal, state, local and nationally recognized supplier diversity certifications, including:

- SBA Certified SDVOSB, VOSB and WOSB
- NMSDC Certified Minority Business Enterprise (MBE)
- WBENC Certified Women's Business Enterprise (WBE & WOSB)
- NVBDC Certified Service-Disabled Veteran-Owned Business (SDVOB)
- NaVOBA Certified Veteran's Business Enterprise (SDVBE)
- Maryland Veteran-Owned Small Business Enterprise (VSBE)
- Prince George's County Certified County-Based Small Business (CBSB)
- Disability\:IN Certified Service-Disabled Veteran Disabled-Owned Business Enterprise (SDV-DOBE)

Official Disability:IN Service-Disabled Veteran Disability-Owned Business (SDV-DOBE) certification seal recognizing Collaborative Shared Technologies LLC® as a certified diverse supplier through Disability:IN's Supplier Inclusion program.

> Receiving Disability:IN certification represents more than another business credential. It strengthens our ability to establish strategic partnerships and contribute to inclusive supply chains."
>
> *Asha Aziza Peterson, Founder & CEO, Collaborative Shared Technologies LLC®*

The company is also a graduate of the Veteran Institute for Procurement (VIP).

These credentials strengthen the company's positioning for strategic teaming, subcontracting and corporate supplier partnership opportunities across government and commercial markets.
