/EINPresswire.com/ Gourmet Settings' Windermere Collection of [flatware](#) & accessories offers a vast array of 18/10 stainless steel tableware pieces from chowder spoons to nut & berry spoons and everything in between.

RICHMOND HILL, ON -- Gourmet Settings' Windermere collection is the perfect example of form follows function. Each piece is made of premium quality 18/10 stainless steel and has been designed to properly balance and feel comfortable in the hand. This ergonomic, sleek and classic design is a perfect complement to any table setting and dinnerware pattern. The entire affordable collection is available as open stock at all Bed Bath & Beyond stores/ www.bedbathandbeyond.com where consumers rate it 4.7 out of 5 stars.

"Windermere is one of our most versatile flatware collections. The style is timeless which makes it the perfect complement to any decor. The high quality construction ensures that the flatware will be around for a very long time. The fact that it's available as open stock is an important feature to consumers. Sometimes you just need some extra teaspoons without investing in a whole set of flatware – this allows customers to be selective. Whether you need a few knives & forks for your child's college dorm room or you are having a backyard wedding with 100 guests – this collection allows you to customize your table without breaking the bank" said Hildy Abrams, President of Gourmet Settings. (www.gourmetsettings.com)

Crafted of [18/10 premium stainless steel](#), the Windermere collection offers all of the standard flatware pieces as well as a wide variety of serving pieces. From the tiniest demitasse spoon all the way through to ladles and berry spoons, this collection has every accessory needed to make entertaining a joy.

"Flatware is a very personal thing, after all there are not very many products that you put it in your mouth- You use it 365 days a year – you share it with your family and friends so it should be something that you love. Pick it up- see how it feels when you hold it. This open stock

program allows you to make an educated purchase for your family. We're passionate about flatware and we hope that our passion resonates with our customers.' said company President, Hildy Abrams.

Gourmet Settings has been designing quality flatware since 1994. GS offers Flatware #101 Advice - providing information and use and care instructions on its website; for those who need some help selecting the right flatware or understanding the terminology & components of quality stainless steel.
