Joyce puts the Catholic Church on trial! "Who is She? What is Her secret role in finance and politics? What does the dark, hidden past of the Church tell us about Her future involvement in international affairs?" All this and much more is explosively revealed in the "FISHERMAN'S RING."

"THE FISHERMAN'S RING" is all about murder, [espionage](#), a sensuous love affair, religion and history. Pope John Paul II rises to power in the Catholic Church when Pope John Paul I dies. Jamie Bolin, a womanizing, Irish, investigative reporter, is employed to look into the mysterious circumstances surrounding the untimely death of the Pope. It was the next Pope, John Paul II, who first appointed the present Pope Francis I to a Cardinalship.

Then, there's Carol Livingston an absolutely stunning English beauty, more than a few dead princes of the Catholic Church, a number of hostile priests and a gang of spies.

Joyce is a self-published author, poet, inventor, entrepreneur and philosopher. He is President of the Quest Educational Foundation. His main purpose in life is to bring entertaining and thought provoking subject matter to assist individuals in becoming open-minded, independent thinkers.
