The Telugu Cinema is the first step destination at present in the Indian Cinema. The huge success that generated by the Tollywood of South in the recent times in the Indian Cinema business has crossed all records. The evolution in the Telugu cinema industry has created a huge upsurge in the cinema loving people all across the globe. Today, the Tollywood of South has gained a prestigious platform also in the international film festivals in the Western Hemisphere also. The initial phase of the Tollywood movies saw the "talkies" kind of cinema. Those films were technically based on sound and got a huge fan base and popularity in the 1930's. After that with the lights of the famous talented actors in the Telugu Cinema brigade, there were some auspicious moments showcased by the Tollywood of South.

The Tollywood has gained a huge success in the recent times. According to Suneel (TollywoodAndhra Admin), "Yes we have seen a rapid speed changeover in the last few decades. Most popular movie category is the same but the new dimension is coming in a big way." It only means that the films of today are made acceptable by the cinema viewers. The Telugu cinema industries have gone through the testing times and have now emerged as a victorious leader. The budget that is tossed on the films today clearly opens the eye on the confidence of the producers upon the viewers' response. Films like "Businessman" and "SVSC," which created new records in the box office last year cashing with multi stars and breaking the age old tradition by bouncing on runaway super duper hits, clearly hints at the momentum that the Telugu Cinema is going through.

In today's 21st century when everybody is too busy to count on their bank balance the entertainment through films seems the only room for breathing. The films with full on entertainment where you don't have to think much are the most sorted after films by the viewers. This is because, here people can easily rest in their couches and go deep into the full on
