

# Shindaiwa Introduces New 21.2CC Professional Grade Trimmer with 7-Day Money-Back Guarantee

/EINPresswire.com/ The T235 Trimmer joins Shindaiwa's fleet of pro trimmers, complete with a 2-year commercial warranty.

CHICAGO, IL – Commercial landscapers now have a new 21.2cc professional grade trimmer option from Shindaiwa Outdoor Power Equipment. The T235 balances legendary Shindaiwa features with improved cutting performance at a great price.

The T235 design inherits popular traits of the Shindaiwa brand such as a solid shaft drive, comfortable and ergonomically correct grips, premium two-stage air filtration, and full-wrap tank stand.

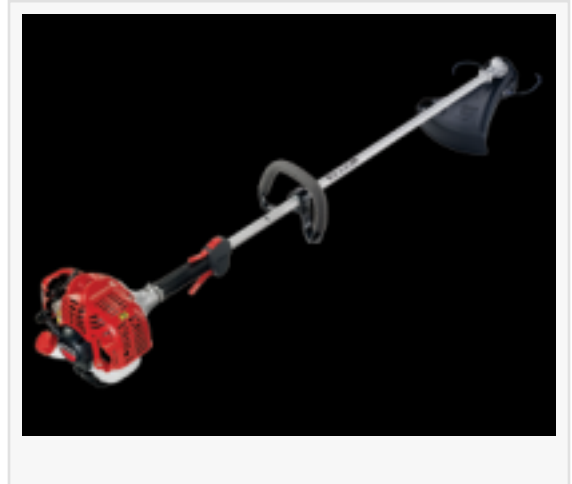

Add to these a 20" cutting swath, easy re-loading higher capacity Speed-Feed® 400 head, and a high-torque gear box, and the T235 becomes a powerhouse trimmer against the competition.

The T235 is lightweight with user friendly features and commercial-grade durability, all at an affordable price.

For more than 50 years, Shindaiwa has been a legendary industry leader in manufacturing high-performance [commercial outdoor power equipment](#) for professional users and discerning homeowners around the world. It doubled its commercial warranty to two years in January 2010.

The [7-Day Money-Back Guarantee](#) program was introduced with January 2013 purchases to encourage professional users and discerning consumers to try the Shindaiwa brand. If the product does not live up to expectations, the customer has seven days to return it to the dealer for a full refund, no questions asked. The program does not apply to accessory or parts purchases.
