

Mentalist Gerard Senehi Breaks New Ground With Mind-Reading Demos Over Skype

/EINPresswire.com/ Event and Meeting Planners Explore a New Virtual Realm of Events with Senehi's Mind-Bending Demonstrations

Mentalist and activist [Gerard Senehi](#) is breaking new territory with live mind-reading demonstrations via Skype and Google Hangout. In his 10-minute live demos, Senehi can be seen making objects move, bend, and spin, as well as reading the minds of participants.

Senehi's inventive marketing program, geared toward event and meeting organizers, debuted this past week on [BizBash.com](#)—the largest resource for event organizers looking to find venues, suppliers, and talent in North America.

According to [David Adler](#), C.E.O. and founder of BizBash, "We have been testing these live demos amongst the event and meeting community, and planners are blown away not only by what they saw, but by Gerard's ability to repeatedly know what they were thinking throughout multiple types of challenges. The common reaction was 'How did he do that?' and 'I can't wait to have Gerard at my next event.'"

Interested parties are invited to experience the live demos by visiting Gerard's Mind Reading Interest Page or by contacting Brittany Bucceroni at 646.839.6846, bbucceroni@bizbash.com.

ABOUT GERARD SENEHI

Gerard Senehi is an internationally renowned superstar in psychic entertainment; he has been featured on The Ellen DeGeneres Show, The Today Show, and numerous other programs. Using his art to create mystery by demonstrating unexplainable feats, Senehi captivates and astonishes audiences of all ages. From corporate meetings to social gatherings, he creates the perfect backdrop to let minds reach unimagined potentials.

ABOUT BIZBASH

BizBash is an innovator and resource hub for the event and meeting industry with its Web site, magazines, and live events. Event organizers responsible for events such as White House state dinners and the Oscars, as well as conferences, trade shows, fund-raisers, and more use BizBash products regularly for ideas and best practices that can be implemented at their own events.
