

Delaware Golfing Offers the Nine and Dine Golfing Plan

/EINPresswire.com/ Golfing can be hungry work, but visitors will leave satisfied.

Every Wednesday, for as long as the program lasts, visitors to the Delaware Park casino grounds have the opportunity to relax a little from the exciting atmosphere of the main casino zones and experience one of the finest greens on the East Coast.

Starting at just \$55 for members, the Nine and Dine plan now offered through the White Clay Creek Country Club and the At The Rail Wine Bar and Grille provides nine holes of golfing and a three course dinner for each member taking part in this fantastic opportunity of [Delaware Golf](#).

The price of the package comes with several additions for visitors, including all green fees, the use of a shared golf cart, a visit to the practice facility located on the Country Club grounds, and space at the secure locker rooms currently used... and that's before dinner even gets started, with tee times offered between 4:00 and 5:30 in the evening to allow for a nice game before eating.

However, not all visitors to Delaware Park want to go golfing, so the Nine and Dine plan now offers a special service for the family and friends of participants. At a reduced price of just \$35, extra members of the group can pass on the golfing and instead join their companions for dinner after the golfing is over with. There's no need for them to pay full price if they won't be using everything offered!

The Nine and Dine program is only available by registration, so visitors who'd like to take advantage of this outstanding opportunity to have a little fun should contact the White Clay Creek Country Club as early as possible to see which dates and tee times are currently available.
