Who is Dan Go?

Dan Go, creator of 6 Minute Superhuman

Dan Go is one of the fitness industry's go-to-guys when it comes to injury prevention. As mentioned, he's worked on this system for a little over 8 years now and feels that it is finally perfected and ready for the masses. With his long line of happy reviews and successful clients, Go is no stranger to being a center of attention.

Who is 6 Minute Superhuman for and how does it work?

Because of the detailed book and videos, the workout program is really for anyone who wants to improve their overall health. The program is said to be great for beginners as well as advanced athletes.

The basic implementation of the program is to preform these as a pre-workout routine or when one gets up in the morning.

The instructions are laid out in a 73 page PDF book and there are more than 20 videos. The program works by releasing Myofascial to repair tissues, Neuromuscular Activation to ignite the mind, Dynamic Mobility to encourage use of underdeveloped and underused muscles.
