

UBox Worldwide Offers Immediate Online International Shipping Rate Quotes

/EINPresswire.com/ UBox Worldwide in Houston, TX has made international shipping easier than ever -- really -- by taking the guesswork out of the often complex process of shipping boxes and packages overseas.

In an age where all good services are done lightning fast, UBox Worldwide is providing instant [international shipping rates](#) online to save customers time and money when planning to move or ship packages overseas.

Getting an affordable [international shipping rate](#) with UBox Worldwide is quick and simple. Once customers have calculated the value and total cubic feet of their shipment using UBox's handy online shipping calculator, they only need to submit a short form and UBox Worldwide instantly displays a quote for the entire international shipment. This quote contains the total cubic feet of the shipment, the cost per cubic feet to ship to the destination, and the total cost of the shipment. Additional fees and discounts will also be listed as well as the prices of optional services such as package insurance.

Once satisfied with the [international shipping quote](#), customers can instantly book the shipment right on UBoxWorldwide.com. No time is lost between receiving the quote and being able to pack up. UBox Worldwide also provide tutorials and videos on their website to help customers with packing and other overseas shipping preparations.

With over 250 shipping destinations across the globe and exceptional support and resources, UBox Worldwide has made international shipping easier and more accessible than ever for individuals and small businesses in the US and Canada.

UBox Worldwide is a licensed and bonded International and Domestic Freight Shipping Company based in Houston, Texas which has prided itself on providing low cost freight shipping with personal service since 2003. UBox Worldwide makes international and cross country shipping easy for individuals and small companies.

UBox Worldwide takes care of the paperwork and provides guidance and support for everything from packaging to pick up.
