

Pringle Homebuilding Group Unveils New Website for Lakes of Mount Dora

LEESBURG, FL, June 3, 2013 /EINPresswire.com/ -- Pringle Homebuilding Group has announced the launch of a completely updated and revised website to promote its flagship Lakes of Mount Dora community located in [Mount Dora, Florida](#).

[LakesOfMountDora.com](#) features a new level of interactivity and depth of information about this premier Florida active adult community. Users will enjoy browsing the numerous sections including information about central Florida, charming Mount Dora, the community's [amenities and features](#), and, of course Pringle Homebuilding Group, LLC- Florida's premier builder of custom and semi-custom homes for 55 and better clients.

"We're very proud of the new website", says Steve Nordstrom, PHG's President. "The entire site was conceived and developed by our own I/T Manager and Webmaster, Dennis Bottaro. Dennis researched the latest interactive tools and applied them to this brand new version of LakesOfMountDora.com".

Lakes of Mount Dora -a central Florida active adult community- has been named among 'America's 50 Best Master-Planned Communities' by Where to Retire magazine. This premier community is planned for 950 single-family homes in four phases. Uniquely, it has been designed to provide waterfront access or water views to over 75% of the residents. The Lakes of Mount Dora is fully gated, and features Florida ecologically friendly landscaping- another Pringle exclusive.

A brand new website to compliment Pringle's flagship community.

“

We're very proud of the new website"

Steve Nordstrom, PHG's President

Pringle Homebuilding Group enjoys a reputation as being among the region's top builders. The company's dedication to "personal service" for each client is often the deciding factor when prospective clients choose Pringle Homebuilding Group. The employees at PHG pride themselves on their integrity, communication and agility- values they believe set PHG apart from their much larger

competitors.
