*Personalized books with your name are now a reality with "uBooks Personalized Novels & Fairy Tales"*

DEN HAAG, HOLLAND, June 5, 2013 /EINPresswire.com/ -- Recently it became possible to order a real hard copy of a novel or a fairy tale in which you are the main character. Through uBooks Publishing House people can place their name in some of the biggest classics of European literature, after which these books are printed out and assembled together handmade in high-quality hardcover editions.

Currently, it is possible to personalize famous titles such as: "The Adventures of Sherlock Holmes", "Alice in Wonderland", "Pride and Prejudice", "Cinderella", "Beauty and the Beast", "Snow White and the Seven Dwarfs", "Brave Little Tailor", "Dracula", "The Three Musketeers", and the expansion plans include the widening of the portfolio.

uBooks' mission is to promote culture of reading in different languages, with a purpose to enable anyone to live their favourite adventure in person. These unique editions turn reading into fun and are a perfect solution for a present that really leaves a great impression.

All books are completely unique editions available in English, Italian, French, German and 7 other languages, and there is also a possibility of integrating a photo on the cover, as well as leaving a special dedication message.
