

Veterans Thrift Store of Arlington Texas, Needs Community Support

ARLINGTON, TX, June 12, 2013 /EINPresswire.com/ -- Randolph V. Brown Sr. President/Founder of VTS states, "Our organization opened up a Veterans Thrift Store in Arlington back in November of 2012, since then we have been able to open up a second location in Hurst Texas. Yet due to our location in Arlington slowing in business due to construction, it has lead to a decline in business of less than \$300.00 a day. Now with our second location open, and over 10 employees to pay, between both of them we earn less than \$700.00 a day in revenue. At this rate these stores will close if we don't get support from those who support War Veterans returning home. 100% of all proceeds made from these stores provide employment to our veterans, Housing support, Monetary help, Counseling, and support helping them file for their benefits. If our efforts fail with these stores, so will our goal to open up 10 of these stores to help our War Veterans and their families. Were asking the media for support in our efforts to raise \$500.000.00 dollars that will help us with our operational cost of these stores for 1 year while we grow. Please help us get there. Attached to this letter is more information concerning this. Time is of the essence if we are to keep our dreams alive. I can be reach at (719) 231-1284 for any interview or questions you may have."
