

Rapid Capital Funding Reviews User Experience, Makes Upgrades

Rapid Capital Funding makes enhancements to website

MIAMI, FL, June 13, 2013 /EINPresswire.com/ -- Rapid Capital Funding has redesigned and upgraded their website for the growing and competitive merchant cash advance market.

This objective includes representing their business in the digital world, and “we wanted to revitalize our website to represent the great things we have been doing for the small business community,” says Craig Hecker, CEO and founder of Rapid Capital Funding, “and to attract those new customers who are looking for business loans or alternative options.”

There is also a new simple video that provides an explanation of the financing product and the application process up on youtube at <http://www.youtube.com/watch?v=6d80wPNj2PE>.

The [Rapid Capital Funding Google+ page](#) and [twitter account](#) will also be a part of their wider strategy to make the company more accessible to small businesses.

Since 2007, Rapid Capital Funding has been an industry leader in the merchant cash advance and alternative finance realm. Their mission is to exceed their clients’ expectations with high quality service and provide a valuable resource of capital for small and mid-sized businesses.
