RALEIGH, NC, June 13, 2013 /EINPresswire.com/ -- America's Best Choice Windows, a leading window contractor in North Carolina, recently announced new special rates for [window installation](#) throughout the Raleigh area.

America's Best Choice Windows announces window installation special rates for customers interested in exterior remodeling and renovation. Raleigh area residents continue to contact this experienced window contractor for a wide variety of window replacements, including bay, garden style, and double hung styles.

With the experience and skill needed to handle every type of residential [window replacement](#), Raleigh area homeowners trust America's Best Choice Windows for an upfront and honest estimate. Since windows are designed to reduce and muffle outside noises, windows may need to be replaced if they are not providing acoustic benefits. Homeowners with single pane glass can also cut down outdoor noise levels by having these experienced professionals replace their existing windows.

One of the most noticeable symptoms of a window that needs replacement is when it is difficult to open or close. In addition, local homeowners need to check all windows for air leaks that are either coming in or going out of the window. If window glass is becoming foggy, the professionals at America's Best Choice Windows may recommend window replacement. If glass is fogging, this may hamper a window's ability to properly insulate a home.

For high-quality window installation at affordable rates, Raleigh area residents continue to call America's Best Choice Windows. For more information about this leading window contractor and the services and products they offer, call 919-238-1759 or visit <http://www.windows-raleighdurham.com/>.
