

Jacksonville Commercial Insurance Now Being Offered by Connect America Commercial Insurance Agency

JACKSONVILLE, FL, June 17, 2013 /EINPresswire.com/ -- Business owners should prepare for disasters with commercial general liability [insurance](#). Connect America [Commercial Insurance](#) Agency now provides Northeast Florida with business insurance policies that meet the liability needs of every business.

Just as homeowners must be prepared for a wild and devastating hurricane season, so must business owners prepare for any unplanned occurrence that can strike a business.

Unexpected and unplanned events happen so quickly they can create an emotional ripple that clouds the judgment of the business owner, who may be so worried about the company's future that it is impossible to take care of the present difficulties. A Jacksonville commercial business package from Connect America Commercial Insurance Agency is the security businesses need for solving unforeseen problems step-by-step.

[Jacksonville commercial insurance](#) from Connect America Commercial Insurance Agency now provides a commercial package policy that includes two or more lines of insurance coverage, and combines them into one policy. Connect America Commercial Insurance Agency even allows its customers to customize their commercial business package to meet risks that are specific to the unique and specific needs of the company.

The following are some of the insurance lines that are covered under a business insurance package:

- **Commercial Property Coverage**—Whether the property is leased or owned, property insurance covers real property, which is the physical structure in which business is conducted. Improvements to the real property, known as business personal property, and inventory exposures are also covered by this commercial package policy.
- **Commercial General Liability Coverage** —This coverage provides a line of defense against a
