

Dallas Car Wreck Attorney's Accident Experience Hits Home for Injured Victims

Amy Witherite of the Eberstein & Witherite personal injury law firm opens up in a new video about her law partner's ordeal of being involved in a car wreck.

DALLAS, TX, June 18, 2013 /EINPresswire.com/ -- Amy Witherite of the Dallas based personal injury law firm, Eberstein & Witherite, recently opened up about the experience of her law partner following his involvement in a [Dallas car wreck](#), in a video that hits home for many car wreck victims nationwide. The Dallas attorney is seeking to help more people get through the crisis of a car accident by sharing the experience, and offering tips on what to do in the event that one is faced with their own challenges after being injured in a car wreck.

Key Things to Remember In Case One Becomes Involved in a Car Wreck

As Witherite states, "When you have a crisis, or something goes really badly in your life, it's almost like your brain turns to mush. The ability to logically think through what you need to do to handle the scenario just seems to go away." In a new video accessible by visiting <http://www.dallastexaspersonalinjurylawyers.com/>, the attorney outlines three key things individuals can remember in case they do become involved in a car accident that can be helpful for expediting the process of getting their lives back in order after experiencing this type of traumatic event.

Those who want to learn more about how to receive help after being involved in a car accident can review the informative car accident injury help video today or call 1-800-Car-Wreck to speak with someone about their specific case.
