

# Title Junction Staff Participating In Continuing Education Classes In June

FORT MYERS, FL, June 21, 2013

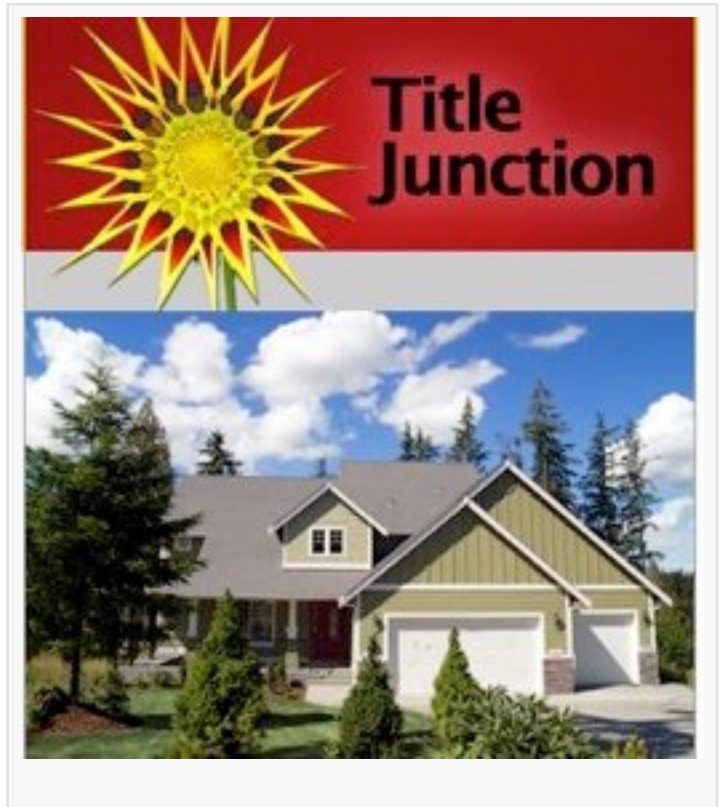

/EINPresswire.com/ -- The staff at [Title Junction](#), a company that can provide property owners with [title insurance protection](#), is participating in continuing education courses on June 19, 2013.

The goal at Title Junction, a company that can help provide homeowners with title insurance protection, is to educate its customers on the sometimes confusing process of obtaining title insurance. The staff works to ensure that customers understand what title insurance is and why it's necessary during a property purchase.

However, to make sure that the staff stays up to date in the latest industry news, staff members are planning on taking some continuing education classes. The classes will be held at the Hyatt Regency Coconut Point in Bonita Springs, Florida on June 19, 2013. Topics covered will include Claims Avoidance in Today's World, Ethics and the Boardroom, Navigating Short Sales and Tax Liens on Real Property. The classes are run by underwriting company Old Republic.

"Not everyone understands what title insurance is used for -- they just know that they need it when participating in a real estate transaction. That's where we come in. We'll explain everything in as much or as little detail as you'd like, but to stay up to date on the latest industry topics, we need to continue our education. We're grateful for the opportunity to take these classes to better help our clients," said Jennifer Ferri, owner and operator of Title Junction ([www.title-junction.com](http://www.title-junction.com)).

In addition to performing full title searches and providing clients with title insurance throughout Florida, Title Junction can also assist [foreign investors in US real estate](#). Oftentimes, the buying and selling process is much different in the United States and there are a number of unique

FIRPTA regulations that must be followed. The company also acts as a third party escrow service as well as performs notary services and witnesses courtesy closings when necessary.

"Our goal is always to make our part of a real estate property transaction as easy as possible for our clients. We understand that buying and selling real estate is a time consuming and often stressful process so we help our clients by staying up to date with the latest industry news. Whether you're looking for someone to act as a witness in a courtesy closing or you don't understand just what the HUD1 settlement statement means, please give us a call. We'd love to help make your real estate transaction as stress-free as possible" said Ferri.
