

# Pringle's Lakes of Mount Dora Named Among Nation's Top 50 Communities

LEESBURG, FL, June 24, 2013 /EINPresswire.com/ -- The [Lakes of Mount Dora](#)-a Central [Florida active adult community](#)-has been named among 'America's 50 Best Master-Planned Communities' by Where to Retire magazine. Pringle Homebuilding Group, LLC's custom home community has won this award every year it was eligible.

Adding further acclaim to its already impressive reputation, The Lakes of Mount Dora- a Central Florida active adult community - has been named among

'America's 50 Best Master-Planned Communities' by Where to Retire magazine. The honorees are revealed in the bimonthly magazine's July/August issue on newsstands June 18th. Pringle Homebuilding Group, LLC is featured prominently in the honor as the community's only custom builder. This issue marks the eighth biennial honor roll of America's best master-planned communities compiled by the magazine. Lakes of Mount Dora was also honored in 2009 and 2011.

Unique among [Florida retirement communities](#), The Lakes of Mount Dora was developed with a special vision in mind – to create a tranquil place where people can live in a Central Florida waterfront home near one of the most impressive small towns in the country. Within the community, a 178 acre man-made chain of lakes offers the added enjoyment of canoeing, sailing or paddle boating.

The community's centerpiece is the magnificent 18,000 square-foot Island Clubhouse, where residents enjoy the Great Hall and banquet facility, library, billiard room, card room, business center, and a state of the art fitness room. The clubhouse complex also includes a beautiful recreational pool and sun deck, as well as a "fitness trail" along the clubhouse waterfront. "We are extremely proud to have The Lakes of Mount Dora recognized among the nation's top communities", said Pringle Homebuilding Group's President, Steve Nordstrom. "A lot of hard work and planning was done to ensure this community would be truly special, and we're proud of Pringle's role in the community's growth and prominence".

Uniquely, Pringle offers its clients true custom design and construction services at surprisingly

affordable prices. Unlike builders who claim “custom” when they mean “limited options” Pringle clients actually participate in the design of the home, guided by an expert designer in the company’s Leesburg, Florida Design Studio. Whether starting from one of Pringle’s award-winning designs or from the clients’ own unique vision, every home is designed to the specifications and needs of the customer. From beautiful entertainment areas and special-purpose rooms to the smallest detail of décor, the designers at Pringle guide the client each step of the way, resulting in a truly rewarding custom homebuilding experience.
