CentralFloridaCadillac.com offers the Orlando area's best selection of

Cadillacs, all of which are delivered in excellent condition to their proud new owners. [Pre-owned Cadillac cars](#) offer all the luxury of the newest models at more affordable and attractive prices. When you opt to purchase a pre-owned Cadillac from Orlando's top performing dealership, you will receive top notch support to help you identify the perfect car to suit your budget – and your needs.

If you're on the fence about whether to buy new or pre-owned, consider the following:

- 1) Pre-owned vehicles provide consumers a cost-effective way to experience the luxury that Cadillac offers.
- 2) Lower insurance rates. Since the cost of the automobile is less, the cost of insurance will also be less.
- 3) Durability and sustainability of new Cadillac models. Pre-owned Cadillac's are inspected prior to sale by professional Central Florida Cadillac technicians to ensure the vehicle you purchase is ready to be driven off the lot.
- 4) Avoidance of the depreciation of buying a new car. When you purchase a brand new car, it is estimated to depreciate in worth by up to 30 percent, which is one of the main reasons consumers become "upside down" in their car loans.
- 5) Ability to buy from the trusted Cadillac name.

"We currently have pre-owned Cadillac models ranging anywhere from two to ten years old," stated Kevin Giguere of CentralFloridaCadillac.com. "Each one has been thoroughly inspected and certified for our consumer's peace of mind."

For over 100 years, Cadillac has built reliable and durable luxury vehicles. The company's name

is synonymous with quality, comfort and style.
