

Customers to receive a free copy of ISO/IEC FDIS 27001 with every No3 ISO 27001 Comprehensive Toolkit order in June 2013

ELY, UK, June 25, 2013 /EINPresswire.com/ -- [IT Governance](#), the one-stop-shop for ISO 27001 resources, has announced that customers who order the [No 3 ISO27001 ISMS Toolkit](#) before the end of June 2013 will receive a free copy of the final draft of the ISO 27001 standard, ISO/IEC FDIS 27001 (expected to be released in in the next few days). They will also receive a free copy of the new ISO27001:2013 standard when it is published (expected September 2013). This means organisations will benefit from implementing ISO 27001 now, whilst ensuring progress to the new version later this year.

Alan Calder, CEO of IT Governance, says, "Organisations can cut their implementation time considerably by using this specially designed toolkit. As well as key standards, books and document templates, it also includes an information risk assessment software tool which makes it an invaluable resource. For savvy organisations, this toolkit is practically a no-brainer."

The No 3 Comprehensive ISO27001 ISMS Toolkit caters for all types and sizes of organisations and their quest to embark on ISO27001 certification. A client who recently purchased the toolkit said: "IT Governance's document templates made a significant contribution to us achieving ISO 27001 first time."

The ISO 27001 standard is applicable to all types of organisations and brings tangible benefits, including better management and protection of information assets, increased competitive advantage and stakeholder satisfaction.
