

CapTarget Now Offers Free M&A Trend Reporting Online

The company aims to deliver more value for less cost across its user base.

SAN DIEGO, CA, June 25, 2013 /EINPresswire.com/ -- [CapTarget](#) has begun producing periodic free [M&A reports](#) tracking M&A activity by region across North America.

"With our team of highly qualified researchers and our broad base of data tools we wanted to provide our clients with a free tangible view into what's happening in M&A," CEO Gabriel Galvez said. "Based on our client volume we really get a high level look into what's happening there out on the street."

The reports are available free for download from www.captarget.com. The company aims to also start providing free industry reporting and other M&A focused reports in the near future available for download via the company's website.
