If your straps are going to show then they should be beautiful, like jewelry. Strappys Decorative Bra Straps offers over 50 different styles of beaded, rhinestone, jewelry and designer fabric bra straps that you can pick and choose to match your outfit. Just attach Strappys to your strapless bra and go out with confidence. Let your bra straps show...fashionably!

Strappys Decorative Bra Straps has been selling its line of interchangeable fashion bra straps since 2006. Strappys evolved as a fashion solution for owner, Allison Mercer, who needed to solve the problem of unsightly bra straps and slipping strapless bras. Living in the warm southern California climate, bra straps were a daily issue. Mercer originally decorated her fabric bra straps with notions from craft stores. Each line of Strappys bra straps has been tested and redesigned over the years to keep up with fashion trends and meet consumer needs. Today Strappys can be found online and in boutique stores across the country. For more information about Strappys, please visit www.strappys.com
