

Bear vs. Bull. What's Nexts For Gold?

Infographic

LOS ANGELES, June 28, 2013 /EINPresswire.com/ -- How should investors approach sub \$1,300 gold? American Bullion partnered with Visual Capitalist and their team of analysts to create an infographic debating the industry's thoughts behind Gold heading into a bull or bear market. The infographic answers the following questions from both perspectives:

- 1) How does the interest rate impact gold?
- 2) What is the inflation impact on gold?
- 3) What is the international impact on gold?
- 4) What is the short-term outlook for gold?
- 5) What is the long-term outlook for gold?
