

The best ITIL library in the world available online

ELY, UK, July 3, 2013 /EINPresswire.com/ -- [IT Governance](#), the single-source provider of IT service management resources, has announced that it believes it has the most comprehensive offer of [ITIL books](#) worldwide.

Alan Calder, CEO of IT Governance, says, "We not only offer all of the official Cabinet Office titles in all available formats, but also create innovative supplementary titles through our in-house publishing business. We source the newest ITIL® titles to support ITIL professionals throughout their studies and career development."

To date, IT Governance has sold hundreds of copies of the [ITIL Lifecycle Publication Suite](#) and the ITIL Foundation Handbook.

Other popular titles include ITIL Foundation Essentials and ITIL Lifecycle Essentials, both books being official ITIL licensed products. Authored by Claire Agutter, these are the only titles to cover the ITIL Foundation exam syllabus and introduce the reality of real-world ITIL implementation.

The full ITIL library can be accessed online at: www.itgovernance.co.uk/shop/c-151-books.aspx.
