

Mongiovi & Son Plumbing Contractors Ready To Deal With Tropical Flooding in Naples, Florida

With Tropical Storm Chantal bearing down on the Florida peninsula, the time is now to have a 24 hour emergency plumber on call.

NAPLES, FL, July 10, 2013 /EINPresswire.com/ -- Hurricane season is upon us, and with it the threat of flooding. Southwest Florida has been especially vulnerable to the effects of tropical storms and hurricanes. At this writing, Tropical Storm Chantal's main impact has been as a rainmaker – as the people of Haiti and the Dominican Republic can attest. In the Dominican Republic, up to 8 inches of rain is expected on the southern coast.

Plumbers in Naples FL offer Naples emergency plumbing services.

Even if the storm weakens to a Tropical Depression, as could happen when it crosses the Cuban peninsula, flood concerns obviously linger. Naples is no stranger to flooding; tropical storms strafe the southwest Florida city every year. And with flooding comes the need for emergency [plumbers. Naples](#) residents have come to rely on Mongiovi and Son Plumbing Contractors to deal with [emergency plumbing in Naples](#) and surrounding communities throughout the Suncoast area of the Sunshine State.

“Our [plumbing company in Naples](#) provides commercial and residential customers with emergency plumbing services at very competitive rates. You can reach us 24/7,” claimed a representative from the Naples plumbing company when asked what set his company apart from his competition.

Mongiovi & Son Plumbing was established 31 years ago in Naples. 21 year old Rick Mongiovi started his plumbing company from humble origins: a mother's garage in Ingram, Pennsylvania. Today, his company has 60 employees, yet “we take pride in responding in person to our customers' calls for plumbing in Naples. Though we are bigger, and we like to think better than ever before, we still have the same dedication to customer service,” the company representative said.

Mongiovi and Son offers emergency residential and commercial plumbing services in Naples and

surrounding communities. The company promises that a “live person” will always be there to take the call of people who deal with plumbing conundrums – flood related or otherwise.
