

# Giftsin24 Releases New Family Photo Collection With 11 Different One Of A Kind Options

*Giftsin24.com recently released its newest collection of personalized stationery -- personalized family photo lists.*

AURORA, IL, July 11, 2013 /EINPresswire.com/ -- Shoppers looking for a truly one of a kind gift have a new personalized stationery option from [Giftsin24.com](http://Giftsin24.com) -- the company's new family photo [collection](#). The entire collection can be viewed on the Giftsin24.com website.

The collection includes desk slabs, memo squares and family agendas, each personalized with a customer's own JPG image and two lines of unique text. Customers can select their own ink color including navy, black, red, emerald, tropic, fuchsia, mocha and purple -- and lettering style, including some styles that have been designed exclusively by Giftsin24.com designers. Because of all these options, no two personalized family photo lists are exactly the same.

The entire collection can be viewed on the [Giftsin24.com](http://Giftsin24.com) website.

"Personalizing our stationery pieces is easy to do, but that doesn't mean that customers sacrifice quality. We use only the best, most advanced printing methods and high quality inks, which helps ensure that each item is printed with the most vibrant, vivid colors. Additionally, because we've perfected the printing technique, many of our items ship in just 24 to 48 hours," said Dustin Baker of Giftsin24.com ([www.Giftsin24.com](http://www.Giftsin24.com)).

In addition to the personalized family photo lists, Giftsin24 also offers a number of other personalized stationery pieces. These include [stationery sets](#) for children, calling cards, gift enclosures, note cards, birth announcements and even personalized napkins. The company also has a line of eco-friendly stationery that features 100% recycled papers and soy-based inks, which are ideal choices for eco-conscious customers.

Everything from Giftsin24.com is created in the company's 100,000 square foot production facility located in Aurora, Illinois. Large rolls of paper are converted into each personalized stationery piece to create a handcrafted feel. Each item is personally inspected for quality assurance to ensure that items arrive exactly as they're ordered.

"Whether you're ordering for yourself or as a gift, we want each item of our personalized stationery to arrive in excellent condition, which is why each piece is personally inspected before it leaves our printing facility. If you're not sure which stationery piece is right for you, contact our customer service team. They can help you come up with a gift that will be appreciated and remembered for years to come," said Baker.
