

Brad Callen's Latest Program Exposed in AK Elite Review

AK Elite reviews have been flooding the Internet and AKEliteReview101.com reveals the truth about his tool to help with Kindle publishing.

HOUSTON, TX, July 11, 2013 /EINPresswire.com/ -- [AK Elite](#), created by one of the top selling software Gurus Brad Callen who is known for his exceptional ability to stay ahead of the SEO industry and has released many top selling products has caught the attention of <http://AKEliteReview101.com> 's Stan Stevenson, prompting an investigative review.

"AK Elite is essentially the SEO Elite of the Amazon Kindle store. It is an automated analysis and ranking system for marketing Amazon Kindle products in some of the best performing niches in the online publishing world," reports Stevenson. "Most traditional ebooks and courses show you the manual steps necessary to make money selling books and this involves a lot of analysis and a lot of manual work that takes a lot of time. AK Elite automates the time consuming research that is essential for succeeding when it comes to selling kindle books."

Amazon's Kindle has been one of their top selling software products for years and the kindle books market is massive and is one of the biggest earners on the Internet for affiliates. The [AK Elite review](#) shows it can be used by local and internet marketers as well as those who are looking for a tool that they can use to generate the traffic that they want to achieve for their self-publishing Kindle. Having the program will also enable individuals to learn how to make money online in an easy and fast manner. They can rely on the software to help them make good purchase decisions.

"It has now become very easy to be a self publisher with many free formatting sites now on the Internet including CreateSpace, which is owned by Amazon. Selling Kindle books has become multimillion dollar industry and the potentials are enormous," says Stevenson. "What this AK Elite does is to help you dominate the Amazon search engine and ranking system, so that your own personal kindle books will rank at or near the top of the listings for whatever niche you are in."

"The exciting thing about AK Elite is that once you have done your initial setting up and have generated a few sales, Amazon then embraces your product as a potential money maker, which helps in the ranking of the product and sales can then really take off. If you are a writer or think you have something to write about, or if you have an ebook that could be published as a Kindle book, then you will agree that this software is worth it. AK Elite provides tips and approaches that individuals can use to generate income on Kindle and it promises authors that they can achieve high rankings on various search engines."
