

Epolos.com Announces the Dickies Product Line As a New Addition to Their Work Shirts

PFLUGERVILLE, TEXAS, July 12, 2013 /EINPresswire.com/ -- Epolos.com, a company that provides custom embroidery services to businesses, is making Dickies a brand new addition to their existing line of work shirts to be offered to customers.

Epolos.com, a company that turns business logos into thread by offering the highest quality in shirt embroidery, has announced that they are adding a new brand to its already top notch roster. Currently carrying brands like Adidas, Hanes, Nike and Harriton, just to name a few, they are now including the Dickies product line of work shirts to be digitized and customized.

Dickies, the globally renowned brand whose headquarters are in Fort Worth, Texas, manufactures and sells workwear clothing and other accessories. Established in 1922 by C.N. Williamson and E.E. "Colonel" Dickie, it has a long history of providing Americans with just the kind of apparel they need to get through any workday. This makes their line of garments a perfect addition to Epolos' products and goal of providing comfortable, business-promoting shirts.

"Dickies is a tough, rugged, working man's shirt that is made with quality cotton and blended polyesters. It is an iconic brand representing hard working people that need durable shirts that will last," says Brian Davis, owner of Epolos.com. "Dickies has a lifetime guarantee on its products which provides our customers peace of mind. Dickies has always represented the quality, toughness, and pride that embodies the spirit of the American worker and that tradition continues today."

Epolos.com, located in Pflugerville, Texas just outside of Austin, is a company that provides businesses with customized embroidered shirts at affordable prices and packages.
