

# Just Released | SMi Announce Workshop Hosts for Global MilSatCom 2013

*Newly released workshop for the leading military communications event for satellite professionals will now includes 4 hosts.*

LONDON, July 16, 2013 /EINPresswire.com/ -- Conference registrations are now well underway to attend [Global MilSatCom](#) 2013 and early indications show that the event will once again sell out.

SMi are pleased to announce that the 2013 pre-conference interactive workshop will be led by FOUR key industry leaders.

PRE-CONFERENCE WORKSHOP | 4th NOVEMBER 2013  
Conquering Interference - The Next Big SatCom Challenge

Bringing together operator, installer and equipment supplier perspectives, the workshop will look at the main sources of interference in satellite communications links and explore why interference is becoming an ever increasing issue.

“

GVF recognises GMSC as a key event in the international satcoms calendar, and as an essential platform for dialogue on the military satcoms market.”

*Martin Jarrold, Global VSAT Forum*

## WORKSHOP HOSTS:

- Martin Shelley, Project Manager - Antenna Systems, Cobham Technical Services
- Mark Rawlins, Director, Eutelsat
- Martin Coleman, Executive Director, Satellite Interference Reduction Group
- Martin Jarrold, Chief, International Programme Development, Global VSAT Forum

Martin Jarrold who will also be chairing the Global MilSatCom conference on day 3 commented:

"GVF recognises GMSC as a key event in the international satcoms calendar, and as an essential

platform for dialogue on the military satcoms market."

Global MilSatCom Conference and Exhibition will be taking place on 5-7 November 2013 at Park Plaza Riverbank Hotel, London UK. For further details visit [www.globalmilsatcom.com](http://www.globalmilsatcom.com)
