

Expansion Complete at TSI Incorporated's Corporate Headquarters

SHOREVIEW, MN, USA, July 22, 2013 /EINPresswire.com/ -- The completion of TSI's 58,000-sq.-ft. expansion will bring the building's total square footage to more than 200,000 sq. ft., creating room for future growth and new employees.

TSI Incorporated, the leader of precision [measurement instrumentation](#) and environmental monitoring solutions, is proud to announce the completion of a 58,000-sq.-ft. expansion at its corporate headquarters in Shoreview, MN.

This two-story addition includes seven new conference rooms, eight engineering labs and a large meeting space that seats up to 500. As well as 26,000-sq.-ft. of additional manufacturing space. TSI designs and manufactures precision measurement instrumentation from [Dust Monitors](#) to [Particle Counters](#) and Sizers.

"Designed with an open, flexible layout of utilities to aid in lean manufacturing, this space was created for future growth and the addition of new employees," commented Tom Kennedy, President at TSI Incorporated.

A dedication ceremony to inaugurate the new addition will be held on July 23rd at 9:00am in the presence of the Mayor Sandy Martin of Shoreview, MN.

About TSI Incorporated

TSI Incorporated serves a global market by investigating, identifying and solving measurement problems. As an industry leader in the design and production of precision instruments, TSI partners with research institutions and customers around the world to set the standard for measurements relating to aerosol science, air flow, health and safety, indoor air quality, fluid dynamics and biohazard detection. With headquarters based in the U.S. and field offices throughout Europe and Asia, TSI has established a worldwide presence in the markets we serve. Every day, our dedicated employees turn research into reality.
