

# Bobby Gentry Muffler & Brakes, in Denton, TX, Helps Customers Avoid Brake Scams

DENTON, TX, USA, July 22, 2013 /EINPresswire.com/ -- Bobby Gentry Muffler & Brakes in Denton, Texas, assures customers that they can trust the shop's technicians to provide necessary brake repairs without being scammed into paying for more expensive, unnecessary brake repairs.

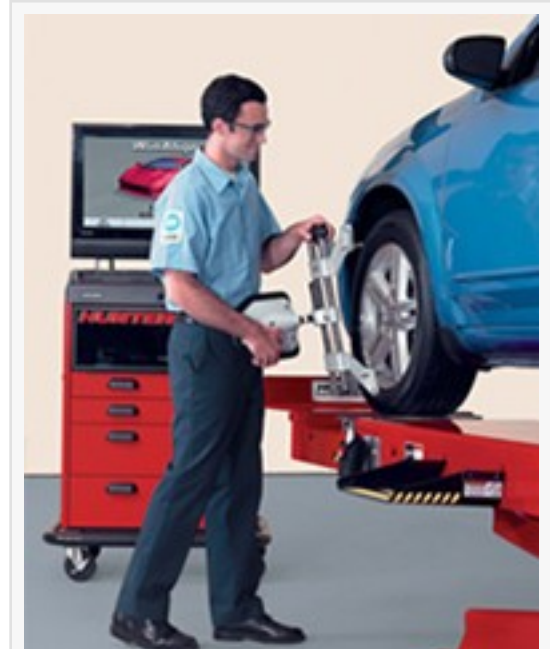

Denton, TX. Bobby Gentry Muffler & Brakes, an [automotive shop in Denton](#), Texas, assures customers that they can trust the shop's technicians to provide necessary brake repairs without being scammed into paying for more expensive, unnecessary brake repairs.

This [Denton brake shop](#) has seen its share of customers who have been burned by mechanics that insist on replacing expensive brake parts, such as rotors, when the only worn-out parts in need of replacing were the brake pads. Since 1982, Bobby Gentry Muffler & Brakes has earned a solid, trustworthy reputation in Denton and the surrounding communities. The shop's satisfied customers continue to spread the word about their honest work and affordable [automotive services in Denton](#).

In fact, owner Bobby Gentry says, "We show customers their braking systems and help them understand the different parts. That way, they know what they are paying for, and we have earned another customer for life!" He adds that brakes are essential for safety. And, in addition to finding an honest mechanic, customers need to pay attention to any unusual sounds or movements coming from the brakes, and take their cars in for service at the first sign there could be a problem.

At the first sign of trouble, brake repairs for Denton residents can be honestly evaluated by Bobby Gentry Muffler & Brakes who also provide additional auto repair services for Hickory Creek, Corinth, Lake Dallas, Sanger, Aubrey, Pilot Point, Little Elm, Decatur, and Krum, Texas vehicles.

About Bobby Gentry Muffler & Brakes:

Brake repairs for Denton residents are a specialty of Bobby Gentry Muffler & Brakes.

We show customers their braking systems and help them understand the different parts. That way, they know what they are paying for, and we have earned another customer for life!"
