

Asia Oil & Gas Awards 2013 comes to Bangkok on 18th November: open call for entries!

LONDON, UNITED KINGDOM, July 23, 2013 /EINPresswire.com/ -- Asia's leading annual awards ceremony for Oil and Gas operators will be held on 18-19 November 2013 in Bangkok. The Awards are judged by a prestigious panel of senior level figures in Asia's Oil & Gas industry, including Energy Ministries, Oil & Gas companies, and market experts from across Asia. The ceremony will highlight the achievements of local and international companies through a range of award categories.

The Asia Oil & Gas Awards 2013 is the leading ceremony in Asia for the Energy Industry and is an event not to be missed by anyone moving into or currently working in the Asia Oil & Gas Industry. The Awards has already attracted an international audience of hundreds of oil & gas professionals, as well as Industry journalists that will be reporting the event. The benefits of entering for an award are endless. Entrants will be given a logo to use for their company literature. Winning an award will lead to extensive branding and post-event write-ups. It will also allow the company to cement their position as industry leaders.

The Awards ceremony will be hosted alongside the 2-day Asia Offshore Oil and Gas Summit and the Bay of Bengal & Andaman Sea Oil and Gas Summit. These two unique events will bring together some of the world's leading industry professionals, including Energy ministers, Senior Oil and Gas company representatives, Contractors, Service Companies and Solution Providers. The event will offer delegates the chance to discover the latest investment opportunities, strengthen industry ties and seek out new business opportunities, with a multi-streamed conference, networking event, panel discussions, and 40 booth interactive exhibition, all in the comfort of a five-star venue in Bangkok. A business Match-Making service will also be on offer to arrange on-on-one meetings between delegates.

Keynote speakers include: Dr. Pyasvasti Amranand, Former Minister of Energy and Mineral Resources of Thailand & Chairman of the Energy for Environment Foundation. Speakers will discuss the industry's most topical issues, including: Deep-Water Drilling Requirements, Market Challenges, Fiscal Regimes and Exploration Outlook, as well as case studies such as Myanmar, Bangladesh, India, Thailand and Indonesia. Other 2013 speakers include Dr. Siri Jirapongphan, Executive Director, Petroleum Institute of Thailand (PTIT); Dr. Andrzej Bolesta, Economic Counsellor, Embassy of the Republic of Poland in Bangkok; Michael Mcwalte, Petroleum Advisor to Governments of Cambodia and Papua New Guinea; U Naing Maw Than, Vice President, Myanmar Geologists Society, Singapore (MGSS) and Chris Faulkner, CEO, Breitling Energy, plus many more!
