

New American Funding Supports National Age in Place Council Chapter for Orange County

New American Funding is pleased to announce its support in the formation of the Orange County, California Chapter of the National Age in Place Council.

TUSTIN, CA, USA, July 24, 2013 /EINPresswire.com/ -- [New American Funding](#) is pleased to announce its support in the formation of the Orange County, California Chapter of the [National Age in Place Council](#). Ellen Skaggs, a Senior Loan Officer at New American Funding, co-chaired the committee that initiated the Chapter, dedicating her time to ensure more Orange County businesses work together to better serve the local senior community. The co-chair of the NAIPC Orange County chapter is Brandy Edwards.

The National Aging in Place Council is a senior support network founded on the belief that an overwhelming majority of older Americans want to remain in their homes for as long as possible, but lack awareness of home and community-based services that make independent living possible.

The [Orange County NAIPC](#) will host their first member and informational kick-off meeting on July 25, 2013 from 9:30 AM to 11:00 AM at Back Bay Conference Center in Irvine. Those interested in learning more about how to serve and support Orange County's senior community, and becoming involved in the NAIPC are encouraged to attend and bring a friend.

By forming Local Chapters, NAIPC members have a forum to discuss issues and trends related to aging and to network with members and other concerned parties.

For more information about the NAIPC, please visit their website – www.ageinplace.org.
