

# Bath Renewal Remodeling Concept Makes Handicap Bathrooms More Accessible

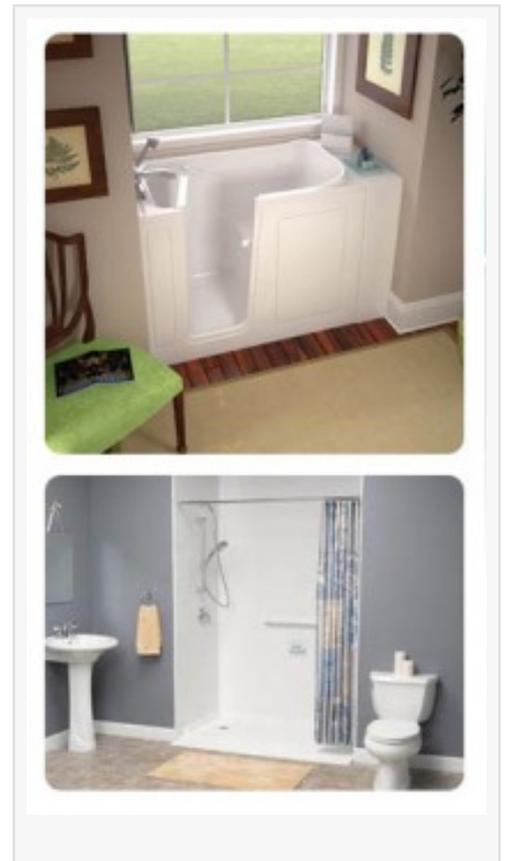

GREEN BAY, WI, USA, July 24, 2013 /EINPresswire.com/ -- Bath Renewal offers a new approach to bathroom remodeling that makes [handicap accessible bathrooms](#) easier to attain and more affordable for homeowners who need wheelchair showers, walk-in showers, or other types of handicapped accessible bathrooms.

More today than ever, families consider bathroom accessibility options for loved ones with limited mobility. Luckily, greater Green Bay's premier source for bathroom renovation offers a new approach to bathroom remodeling that makes handicap accessible bathrooms easier to attain and more affordable. Expensive and complicated bathroom reconstruction is no longer required for homeowners who need wheelchair showers, walk-in showers, or other types of handicapped accessible bathrooms. Bath Renewal's custom handicap accessible bathrooms can be installed in as little as one day, providing safety and ADA compliance.

The need for handicap accessible bathrooms is on the rise, particularly among the elderly, who represent an ever-expanding segment of the population. This has led to increased demand for easy and affordable handicap accessible bathrooms. The remodeling method used by the Bath Renewal eliminates the need for complete demolition, and allows a custom designed ADA tub or ADA shower to be installed within an existing bathroom.

The newly launched Bath Renewal website contains helpful information on a variety of ADA compliant bathroom solutions, including ADA toilets, ADA showers, wheelchair showers, and walk-in tubs, as well as ADA bathroom accessories. The experienced Bath Renewal team works with clients to develop customized solutions to meet every need and suit every budget. Bath Renewal's unique bathroom concepts are available in a wide selection of styles and colors for a broad range of design options.

Bath Renewal is dedicated to being Green Bay and Northeastern Wisconsin's trusted source for bathroom renovation. Bath Renewal is known for one-day bath remodeling that meets the

specific needs of each customer, as well as ADA bathroom remodeling. The convenience, quality and safety of ADA compliant fixtures installed by Bath Renewal are second to none. The company offers bathtub liners, acrylic replacement baths, shower enclosures and accompanying wall surrounds in a wide variety of styles and colors. Remodels are performed by professional installers who are licensed contractors or manufacturer trained, assuring the utmost quality in installation.
