

# Richard Lillycrop Launches His New Real Estate Investment Website [www.richardlillycrop.com](http://www.richardlillycrop.com)

*Real estate investor Richard Lillycrop has just updated his professional website ([www.richardlillycrop.com](http://www.richardlillycrop.com)) with a fresh new look and improved layout.*

NORWICH, UK, July 25, 2013 /EINPresswire.com/ -- The major focus of his website is real estate investment, particularly aimed at the foreign property investor looking to invest in the booming US real estate market. The website features [real estate for sale](#), complete with a pro forma for capitalization rates and returns on investment for each property. There is also extensive advice on [how to invest in real estate](#), including investment strategy, building credit, LLC formation and more. Each property listing has the unique feature of the bird's eye view, so investors can see the surrounding neighbourhood.

Richard Lillycrop's launches his new look real estate investment website

Richard mentors investors in the US real estate market, throughout the selection and buying process, until the property is rented and has helped foreign investors establish their rental property portfolio, which then provides them with financial security for many years.

The website was designed and search engine optimized by Richard and is hosted on high speed servers in Los Angeles. He provides his [website design, SEO](#) and marketing services to small businesses and currently hosts several client brochure and e-commerce websites.

Other features on the website include Richard Lillycrop's blog, covering technology, celebrities, business and real estate investment. The website is also fully integrated with social networks.

Take a look at the new website by going to: <http://www.richardlillycrop.com>.
