Formal wear such as wedding gowns, corporate dresses and suits can be a bit expensive to purchase. Now, the stylish and budget conscious women are given the option to let go of their fantasies of buying off the rack dresses for women and go for customized formal dresses instead!

Adorona.com has six long years of excellence under its belt. Since, this private clothes-manufacturing company, which is based in Shanghai and China, started its operations; it has become one of the most sought after names in the world of customized formal dresses for women. The company has managed to make custom-made clothes actually look like they came from the racks of famous designers- minus the expensive tag price. The company specializes in the manufacture of well-designed cocktail dresses, formal dresses and even dresses for your entire wedding entourage.

### Adorona's Customized Dresses - Why This is Better than Buying Off-the-Rack Formal Wear

Adorona has recently announced several changes made on their website. These changes are guaranteed to make their customer's lives easier through the introduction of new designs based on this season's style and of course based on their customers' tastes and preferences. The website, which was launched in 2012, has been redesigned to suit the needs of their most valued clients. The site was given a new interactive face; dress designs and styles are categorized for proper browsing.

The website provides detailed information on how to choose and place an order for a custom made [wedding dress](#), for example. It gives the customers the ease of hand picking the design or make that they want by simply browsing the website.

Adorona, a company that can customize formal dresses for women, is focused on giving exactly

what the clients want: new arrivals, specials rates, and of course finding the best deals in terms of high quality customized dresses for women. To serve you in a better way, the company also offers its customers the opportunity to get real time answers to their questions with regard to policies, placing orders, submitting measurements, order follow-ups and style suggestions, through their live chat features. The FAQ section of the website has also been updated to provide instant answers.

Living halfway across the world? This is not a problem with the help of Adorona, because now, they are accepting orders across the globe. With its worldwide free shipping, and 14 days delivery period, any woman can sleep better at night knowing that they will have the most affordable dress for the very special occasion.

### Something to Look Forward

Since formal dresses for women are not just about cocktails, weddings and birthday celebrations, Adorona is now focusing on offering a new collection of formal dresses, perfect for that important business meeting. The company understands the need of women to choose affordable yet fashionable clothes at work. Power dressers should really feel excited about the release of the office formal line from Adorona.

About Adorona:

“Dress elegantly for a fraction of the cost.” That is what Adorona stands for. Their mission: to customize dresses for women online with no extra fees. This is, indeed, sophistication in its truest sense.
