

# Guardian Mortgage Joins Forces with TMB PAC

*Guardian Mortgage Company Inc. is joining with the Texas Mortgage Bankers Political Action Committee to keep the Texas mortgage industry thriving*

PLANO, TX, USA, July 29, 2013 /EINPresswire.com/ -- With new regulations and a new generation of homebuyers coming into the marketplace, the [mortgage industry](#) is changing quickly. For this reason, Guardian Mortgage Company Inc. is joining with the Texas Mortgage Bankers Political Action Committee to keep the Texas mortgage industry thriving.

From July 15 to 19, 2013, Guardian Mortgage participated in TMB PAC's Education Week, titled "The Race Is On." This was a joint effort between the Dallas-area [mortgage lender](#) and TMB PAC, which represents Texas mortgage lenders at the state and federal level. The weeklong event was focused on informing Guardian Mortgage employees about the important work of TMB PAC and offer support through fundraising.

## Serious Goal, Fun Style:

While the goal is serious, the methods are fun. Guardian Mortgage employees are participating in a "Cutest Pet Contest." They are being asked to vote for the company's cutest pet by dropping spare change in a bowl adorned with each pet's picture. The contributed change goes to the PAC, and the winner receives a bag of pet treats. Employees also can make contributions in exchange for breakfast, casual dress and massages. The contributions are voluntary. The goals are \$1,000 raised and 100 percent participation.

The fun approach does not detract from the serious purpose. With a series of new federal regulations falling in place on the industry in 2013, TMB PAC can help political representatives navigate the challenges facing the industry. The funds can support candidates who can create an environment in which TMB PAC members can protect and provide quality mortgage lending to future homeowners.

## Winners of The Race:

"The Race" is the main fundraising drive for TMB PAC, which recognizes the top contributing company and the top individual contributor at its annual convention each May. By working

together, TMB PAC and Guardian Mortgage can help [Texas mortgage banks](#) continue to provide first-class service to the homeowners of our great state.

Headquartered in Richardson, Texas, Guardian Mortgage Company, Inc. has been serving generations of homebuyers for over 48 years. Guardian Mortgage Company is an independently owned and managed company specializing in mortgage origination and servicing.

Guardian Mortgage Company has \$2.5 billion in its servicing portfolio, translating to over 18,000 current satisfied customers. Guardian Mortgage Company is large enough to provide the innovative leadership service customers need, yet small enough to provide individual and professional attention.
