

# Trailer Sales Unlimited Adds Two Motorcycle Trailer Models Lineup

GREENVILLE, SC, USA, July 30, 2013 /EINPresswire.com/ -- Trailer Sales Unlimited has introduced two new motorcycle trailers models to its lineup of pull-behind trailers on the company's website - 1MotorCycleTrailers.com

“

Both trailers are designed and manufactured with features that optimize the functionality, comfort, ride, and of course the striking one-of-a-kind look of each of them.”

Trailer Sales Unlimited LLC., the country's top manufacturer of high-quality pull-behind motorcycle trailers, now has two new models to choose from on the company's website - 1MotorcycleTrailers.com.

The Heritage and Liberty [tow behind motorcycle trailers](#), company officials say, are unique additions to the lineup of aluminum and fiberglass trailers featured at 1MotorcycleTrailers.com. Both come with many free accessories such as luggage racks, tongue stands, chrome bumpers and bra/stone protectors and are paperwork-

ready to register in all 50 states.

Company Owner Danny Shockley said the two new models combine luxury with high-functionality for smoother suspension and optimal comfort. "The Heritage and Liberty are nothing less than luxury motorcycle accessories but the impressive design and look of each barely scratches the surface," said Shockley. "Both trailers are designed and manufactured with features that optimize the functionality, comfort, ride, and of course the striking one-of-a-kind look of each of them."

The Liberty and the Heritage trailers both are designed with an independent air ride suspension and 3.0x16 inch motorcycle wheels (compared to regular 12 inch trailer wheels), which allows the trailers to be pulled and towed behind a motorcycle with greater ease.

The Heritage is all Harley Davidson. It features Harley Davidson Ultra Classic lights to match those on any Harley Davidson motorcycle or trike. Riders will find that the Heritage has 19 cubic feet of storage, tubular chassis and tongue, a chrome coupler, Harley lights and turn signals, a carpeted lid, chrome safety chains, after market motorcycle progressive suspension, a carpeted interior and lock and key entry. The Heritage also sits low to the ground for excellent handling, it is 52 inches long, 28 inches wide, and 22 inches deep, has a 1/4 inch thick hand laid fiberglass

body and weighs 125 lbs.

The Liberty motorcycle trailer was designed with the Goldwing motorcycle rider in mind, including its matching Goldwing GL1800 saddlebag lights. It features 20 cubic feet of storage, tubular chassis and tongue, a chrome coupler, a carpeted lid, chrome safety chains, air ride suspension, a carpeted interior and lock and key entry. The Liberty sits low to the ground for better handling, is 54 inches long, 30 inches wide and 22 inches deep, has a 1/4 thick hand laid fiberglass body and weighs 125lbs.

In addition to their unique design and functionality, Trailer Sales Unlimited notes that only three weeks lead time is required to complete an order for either of the two new pull behind trailer models.
