

Good Feet Announces the Grand Opening of the Phoenix Foot Pain Relief Store in Phoenix, AZ

PHOENIX, AZ, USA, August 5, 2013 /EINPresswire.com/ -- Good Feet Worldwide, LLC, an international retailer of custom-fitted arch supports with 26 styles and 350 sizes, announced today the grand re-opening of a new foot pain relief store in Phoenix, AZ

The [Phoenix foot pain relief](#) process provides each customer with personal bio-mechanical balancing and measuring. The customer's primary activities and shoe style preferences are also taken into consideration prior to being personally fitted with arch supports that can provide them with the ultimate comfort, balance and support.

"Most of our Good Feet Phoenix customers are looking for foot pain relief; relief from heel pain, bunions, and neuromas. In [Phoenix plantar fasciitis](#) is one of the biggest problems for busy people, especially those trying to avoid shots or surgery," says Erik Kaplan, store owner. "We have arch supports and other products specifically for pain relief and comfort."

Good Feet [Phoenix heel pain](#) products are designed to support all four of the foot's arches, which makes the personal fitting process so important. Through better arch support, a person's body weight can be more evenly distributed, which maximizes stability and balance. The Good Feet Phoenix foot pain relief products are also designed to reduce pressure and eliminate foot pain, knee pain and even back pain.

The new Good Feet store is located in the 1709 E. Guadalupe Rd, Tempe, AZ 85283, at the SW Corner of Guadalupe and McClintock and serves the Southern Phoenix area.
