

Latest Betting Offers Website Announces New No-Deposit Bonus From Coral Casino

New players can claim £10 casino chips completely free courtesy of a brand new bonus from Latest Betting Offers and Coral Casino.

LONDON, ENGLAND, UNITED KINGDOM, August 7, 2013 /EINPresswire.com/ -- Online betting offers website www.latestbettingoffers.com has announced a new no-deposit bonus from Coral Casino. With this promotion, new players can claim £10 of casino playing chips completely free upon registering for a new account.

Latest Betting Offers is an online betting portal that publishes news of the latest sports and casino betting promotions as soon as it is released. By combining the offers from all gaming providers in the marketplace on one website, the site states that their aim is to offer added choice and value to their visitors.

This latest offer, in combination with Coral Casino, is one that is likely to be particularly popular with online betting fans, according to Latest Betting Offers webmaster, Jane Jones.

"We're delighted to be able to bring yet another no-deposit betting offer to our visitors, courtesy of Coral Casino. We've had some fantastic feedback about the no-deposit offers we've featured in the past, and we certainly expect this promotion to be equally as popular. However, free money offers like this cannot last forever so we would advise our visitors to act fast in order to secure this bonus."

No-deposit bonuses have traditionally been rare in the online betting and gaming marketplace, since they involve the casino or bookmaker giving the player free money to bet with. However, in recent times more and more online casinos have been willing to offer free chips to players without requiring a deposit, with the aim of showcasing the range of games on offer to a wider audience.
