FOR IMMEDIATE RELEASE

Remembering 4 You Honors Healthcare Professionals

REMEMBERING 4 YOU, a Mapleton, Maine based training organization in the United States, released the names of four healthcare professionals honored for their unconditional service to persons living with Alzheimer's and dementias

The founder and president of Remembering 4 You (R4Y), Dr. Ethelle Lord, publicly recognized the first group of healthcare professionals for their exceptional services to persons living with Alzheimer's and dementias living in long-term care. Each individual was awarded a Certificate of Commendation and a gift of money from R4Y.

Categories selected for this honor included exceptional services to family caregivers and residents, exceptional services to persons living with Alzheimer's and dementias, and most enthusiastic demeanor in the course of providing healthcare services. All candidates recognized and demonstrated the importance of person-centered care on a consistent basis.

Here are the names of the four individuals receiving a Certificate of Commendation for exceptional healthcare delivery in a long-term care setting and the category for each person being honored:

- Alane Larochelle, Registered Nurse
Awarded: Best in professional services to residents and family care partners
Winship Green Health and Rehab Center in Bath, Maine USA
- Rebecca Cole, Med Tech
Awarded: Most enthusiasm in the course of care delivery to residents
Winship Green Health and Rehab Center in Bath, Maine USA
- Lana Parent, Certified Nurse Assistant
Awarded: Best professional aid to residents living with dementias
Winship Green Health and Rehab Center in Bath, Maine USA
- Kimberly Winters, Certified Nurse Assistant
Awarded: Best show of person-centered care to residents

Winship Green Health and Rehab Center in Bath, Maine USA

The great thing about receiving a Certificate of Commendation is that the entire healthcare team and facility can celebrate along with the recipients of such a prestige award. It serves as an inspiration to others and all those who contribute to allowing these individuals to shine in light of difficult work responsibilities.

Here are some facts about Alzheimer's today based on statistics provided by the Alzheimer's Association in the United States:

- It is the 6th leading cause of death in the United States alone.
- More than 15 million are living with the disease in the world.
- One in three seniors dies with Alzheimer's or another dementia.
- 46.2 million caregivers provided more than 52.5 billion hours of unpaid care valued at \$648 billion in 2012.
- In the United States alone, nearly 15% of caregivers for people with Alzheimer's or other dementias are long-distance caregivers.
- The cost of providing care for Alzheimer's and other dementias by 2050 is projected to be in the billions of dollars.

Remembering 4 You is a training organization focusing on professional and non-professional care providers with a focus on a systems approach to healthcare delivery. Our vision is to change the healthcare culture around the world so that individuals living with Alzheimer's always encounter and experience an Alzheimer's and dementia-friendly level of care.
