**TranscriptsPlus®**

Online transcript ordering service  
TranscriptsPlus saves Taft College  
time and money.

“

We have saved money since implementing the service not only with printing but with employee time as well.”

*Michelle Hines*

“I can't say enough about what a great experience it has been working with Credentials and having the TranscriptsPlus service,” said Michelle Hines, Registrar & Director of Admissions. “The [customer service](#) we have received has been excellent which is very uncommon in this day and age. I find all of the staff refreshing and eager

to please which is greatly appreciated.”

Credentials Solutions serves institutions and their students and alumni. A dedicated Client Relationship Manager was assigned Taft College to guide them through the entire implementation process and always be the “go-to” for any questions or issues going forward. The Customer Service Team is available 12 hours per day to answer student phone calls and emails on behalf on the institution, thus reducing lines in the lobby and virtually eliminating phone traffic. Staff can therefore be redeployed to handle other student services.

“The TranscriptsPlus program is a great service for our staff and students,” added Hines. “We have saved money since implementing the service not only with printing but with employee time as well.”
