And it does look good. The SRT8's (<http://www.redcliffe.cjddealer.com.au/new-vehicles/new-chrysler-vehicles/300-srt8-core>) four inch chrome exhaust outlets and rear fascia help the vehicle stand out among the crowd, whether you're driving through the city streets or roaring along the motorways. The 20-inch black alloy wheels and performance-tuned suspension hug the roads, providing an incredible ride.

"If you're looking for a vehicle that's made for high

performance and turns heads, the Chrysler 300 SRT8 CORE is it. The media centre has a [Uconnect®](#) 8.4 touchscreen that lets drivers control their music with just a touch and the leather wrapped heated steering wheel ensures comfort at every turn," said Bob Aldons of Northstar Chrysler Jeep Dodge in Redcliffe (<http://www.redcliffe.cjddealer.com.au/>).

Although the Chrysler 300 SRT8 CORE is known for its power, drivers and passengers alike can be confident in their ride because of its multiple safety features. The vehicle has a number of airbags, including multistage front airbags that adapt depending on the severity of the crash, including driver knee, front seat thorax and side curtain airbags for both front and rear passengers. Front active head restraints and rear-end collision safety measures round out the safety features in the Chrysler 300 SRT8 CORE.

"Whether you buy the Chrysler SRT8 for its performance or its safety, we know you won't be disappointed in what you'll find. If you're interested in a new vehicle and aren't sure if the SRT8 is right for you, we'd love to schedule a test drive. Give us a call today and let us show you just what the Chrysler 300 SRT8 CORE can do," said Aldons.
