

The Healing Arts Institute Offers Evening Classes for Massage Therapy Beginning September 16th

FORT COLLINS, CO, USA, August 21, 2013

/EINPresswire.com/ -- Interested in becoming a massage therapist? Healing Arts Institute is the only massage school in the world teaching the exclusive Body Insight Method™. Choose day or evening classes and pursue a new career, or just earn an extra part time income.

In an economy fraught with uncertainty, tension can become an everyday occurrence, so it is crucial to have a skill that offers financial stability. Massage therapy is one career that can provide that stability. Every year massage therapy becomes more popular with the general public, and the Bureau of Labor Statistics projects a 20% growth in the industry between 2010 and 2020, making it a solid career choice. The Healing Arts Institute specializes in providing massage therapy training and education to anyone interested in becoming a massage therapist through day or evening classes.

Begin a new career or create another stream of income in your spare time. Learn massage therapy and the exclusive Body Insight Method™

“

The skill set and confidence that HAI gave me allowed me to transition quickly and smoothly into my new career.”

The evening [massage therapy school program](#), which starts on September 16th, offers classes for those with a demanding schedule. The program gives individuals who have a full-time job, or who otherwise have busy schedules, the opportunity to learn massage therapy in a more flexible way. Evening classes are well suited to stay-at-home parents, or those working traditional hours, that

are looking for a new career or additional source of income. Classes start at 6 p.m. and include an occasional Saturday class.

For over 20 years The Healing Arts Institute (HAI) has been providing hands-on training and skill development for individuals who would like to become a massage therapist. One of many [massage school reviews](#): “The skill set and confidence that HAI gave me allowed me to transition quickly and smoothly into my new career,” says Tasha Enright, former graduate of The Healing Arts Institute. The school also offers a number of unique features that distinguish it from other

massage schools, including the Body Insight Method, which focuses on deep tissue massage and is exclusive to The Healing Arts Institute.

HAI offers day classes in addition to its evening program, and offers students a comprehensive approach to massage therapy training. The education is student-centered and positions its graduates for long-term professional success by offering career services and maintaining relationships with a variety of employers seeking graduates. The Healing Arts Institute offers several forms of [financial aid for massage programs](#), including Pell Grants, and encourages anyone looking for a school of massage therapy to apply.
