

# Food and Health Protection

---

*A Growing Global Awareness of the Coalition for Sustained Excellence*

TORONTO, ONTARIO, CANADA, August 22, 2013 /EINPresswire.com/ -- The Global Coalition for Sustained Excellence in Food & Health Protection (GCSE-FHP) thought and action inspiring message is continuing to gather worldwide interest. You may read the GCSE-FHP Message at: <http://www.afisservices.com/gcse-fhp/gcseindex1.html>

You are invited to JOIN THE CONVERSATION: <http://gcse-food-health-protection.blogspot.ca/2011/09/join-conversation-and-action.html>. The message has reached 66 countries and it is continuing to spread.

Public health is a key consideration for all societies and guarding it is mandatory. GCSE-FHP calls for the effective implementation of food and health protection measures, strategies, education and monitoring.

The Coalition is dedicated to: the protection of public health; the production of sufficient and safe food, pharmaceuticals and other health-related products; the preservation of food freshness; the prevention of wastage; the provision of equitable and efficient distribution of products; the promotion of regulatory compliance; the encouragement of social responsibility and the maintenance of environmental sustainability. Membership is free for individuals and companies. You are invited to join: <http://www.afisservices.com/gcse-fhp/gcsejoin.html>
