

Stephens Gatewood & Associates Dentistry Offers \$300 Off Invisalign in Houston TX

HOUSTON, TX, USA, August 23, 2013 /EINPresswire.com/ -- Stephens Gatewood & Associates gives patients another reason to smile by offering \$300 off [Invisalign](#) in Houston, TX. Invisalign for teens and adults is a nearly undetectable way to improve any smile.

Texas residents longing for a celebrity smile can improve the appearance of their smile with Invisalign. In Houston, Invisalign provides the straightening benefits achieved with metal braces along with the added aesthetic benefit of transparent braces. These transparent braces are used to straighten teeth quickly to create a stunning new smile that looks and feels natural.

Invisalign in Houston TX

Invisalign in Houston provides a modern approach to straightening teeth without the unsightly look of traditional metal braces, brackets, or wires. Invisalign patients use customized clear aligner trays made of smooth, comfortable and invisible plastic worn over the teeth. These aligners gradually shift teeth into place. No uncomfortable metal brackets or painful wires are used to straighten teeth. Patients simply pop in a new set of aligners every 2 weeks until treatment is completed.

In Houston, Invisalign aligners are removable, allowing patients to eat their favorite foods while in treatment. They are also comfortable, with no metal to cause painful mouth abrasions. Results will be visible faster and less painfully than with traditional braces, allowing each individual patient to enjoy the things they love without altering their lifestyle.

With advanced 3-D computer imagery, Stephens Gatewood & Associates can accurately depict the complete Invisalign treatment plan for patients before they start treatment. With Invisalign in Houston, patients can achieve a straight smile that they have always desired without anyone knowing they are going through dental treatment.

For more information about Invisalign in Houston and to learn how to take \$300 off treatment, patients are encouraged to contact Stephens Gatewood & Associates at (281) 724-5186 or by visiting <http://www.dentists-houstontx.com/>.
