~~ Mudit Mohini , Director , Vishv Book launched Early Learner's Series , 'I am Unique' , Graded Reading Series ~~

DELHI, DELHI, INDIA, August 28, 2013 /EINPresswire.com/ -- 23rd August 2013, New Delhi : New Delhi (India) based publishing and printing house, Vishv books which has more than 1500 titles unveiled their latest series of children's educational book - The Early Learner's Series, 'I am Unique' Series and Graded Reading Series at the 19th Delhi Book Fair. Ms. Mohini, Director, Vishv Book unveiled the series.

Speaking on the occasion Ms. Mudit Mohini, Director, Vishv Book "Yet again we are glad to be the part of 19th edition of Delhi Book fair and look forward to participate in coming years as well. This time we have launched the three new series specially designed for children and with that we are also providing flashcards for teachers for free of cost. The series includes: Early Learner's Series is a set of 14 books, designed for children at pre-primary level then the second series 'I am unique' is a series of 8 short-story books woven around different animal characters who feel uncomfortable about some traits they are born with and the third series is Graded Reading Series which filled with endearing stories for children, full of action and fun introducing the young readers to a wide range of situations to learn and grow with it "

She further said "We are in this business for more than 53 years. Vishv Book's category range comprises of Children books, Fiction, Non-Fiction, Women related, Short Stories, World Classics and many more. We specialize in children books which are in house conceived, developed, created, illustrated and produced in our own printing plant. We also have school book series for pre primary (Class KG to S)".

Early Learner's Series

Early Learner's Series is a set of 14 books, designed for children at pre-primary level. The series covers English, Hindi, Maths, General Awareness and Phonics for young learners.

Flash Cards and Teacher's Handbooks, accompaniments to the series are available for free, for the teachers of schools which prescribe Early Learner's Series or a part of it.

Teacher's Handbooks include:

- Suggested extended activities, their objectives and the concepts involved
- Worksheets, which could be photocopied for school and home use

Level-wise cross-curricular references between the main books of the series and the support books—Super Fun Art and Craft and Colouring Doodle Books for Levels A, B and C

List of books in Early Learner's Series:

- English for Levels A, B and C
- Hindi for Levels A, B and C
- Number Sense for Levels A, B and C
- Phonic Book Parts 1 and 2
- World Around Me for Levels A, B and C

'I am Unique'

'I am unique' is a series of 8 short-story books woven around different animal characters who feel uncomfortable about some traits they are born with. Caught in unsettling situations, which they break out from using their special trait only to discover that the 'difference' with which they were uncomfortable with is actually their unique feature.

The Series:

Facilitates Emotional development Read out these well-researched, educational and inspiring stories to help children accept their traits as their 'uniqueness'. Evoke a sense of warmth and self-belief in them.

Teaches Scientific facts The stories blend scientific facts into fiction. And interesting animal facts supplemented after the stories help generate curiosity.

List of titles in the Series

- Please change my wings
- I need my space
- Happy without legs
- Ugh! My long ears
- No! Not without stripes
- I hate being so tall
- Will I be able to run the fastest?
- My nose is so ugly

Graded Reading Series

Endearing stories for children, full of action and fun! Written by experienced and popular authors and attractively illustrated. These refreshing new picture book sets introduce young readers to a wide range of situations to learn and grow with.

The series also includes word less or one word picture books for age group 3 to 5 years, with story line on the inside cover.

Stories have age appropriate vocabulary and sentence length for young readers.

Comprehension questions given at the back help hone the reading skills and enhance observation skills of the readers.
