Easystart Homes recently unveiled the Abbey, one of its popular new homes in Perth.

PERTH, WEST AUSTRALIA, AUSTRALIA, August 29, 2013 /EINPresswire.com/ -- Being a first home buyer in Perth can be stressful and overwhelming. There are a lot of decisions to make, from finding the right home and land packages in Perth to securing the right financing package. However, one of the easiest decisions can be which home to buy, especially after seeing the Abbey, one of the newest home displays from [Easystart Homes](http://www.easystarthomes.com.au).

The company offers many homes that are ideal for a first home buyer in Perth with thoughtful touches like private master suites and beautiful kitchens.

The Abbey is located at 25 Exchange Avenue, Harrisdale in the Newhaven Estate.

The home has three bedrooms and two bathrooms, which makes it an ideal size for both singles and couples, as well as growing families. The floor plan creates an open feeling that allows light to flow throughout the home, making the entire space feel cheery and welcoming for homeowners and their guests.

“We always think long and hard about how our buyers live in their homes and the Abbey is no exception. The gorgeous solid surface countertops, a breakfast bar and

European stainless steel appliances are ideal for a budding home chef, while the master suite with a large walk-in robe and beautiful ensuite is placed away from living areas to create a welcome retreat for couples,” said Sandra Muller of Easystart Homes

In addition to the stunning kitchen and peaceful master suite, the Abbey includes a home

theatre and corner alfresco space so that homeowners can easily entertain their family and friends.

Easystart Homes also has an in-house finance team, which helps first home buyers in Perth find the right financing package for their needs. They can help ensure that new buyers find the perfect home, while staying mindful of their budget.

"We want everyone in Perth to own a home and that's why we make it easy to work with Westgate Financial. The professionals at Westgate know about all the grants and concessions that are available and work tirelessly to make sure that our buyers get to take full advantage of these grants," said Muller.
