/EINPresswire.com/ -- Flippers Pizzeria announces another exciting addition to their appetizer menu—Italian Cheese Toscana Bread.

The [Florida pizzeria](#) regularly updates its menu with creative new dishes that highlight the brand's commitment to hand-crafted freshness. According to Ben Richardson, VP of Operations at Flippers Pizzeria, the ingredients used to make the pizzeria's Toscana Breads are no exception.

"Our Italian Cheese Toscana Bread is packed with flavor," said Richardson. "The hand-crafted dough is first brushed with garlic butter, then layered with three of our favorite cheeses—Provolone, Romano, and Asiago." As if that wasn't enough, it's then covered with freshly chopped herbs, basil and oregano, for a robust Italian flavor.

The bread is baked to perfection, thanks to the pizzeria's signature brick oven cooking style. When ready, the Italian Cheese Toscana Bread is served warm, cut into eight pieces—perfect for a small group of hungry diners.

According to Kelly Pfister, Marketing Director at Flippers Pizzeria, the Italian Cheese Toscana Bread is one of four different Toscana Bread appetizers that customers can now choose from at the Florida pizzeria. "Our customers can also choose from fresh garlic, Italian tomato, and pepperoni flavored Toscana Breads," said Pfister. "This month's promotion, however, is only valid on the Italian Cheese Toscana Bread, so get it while it's hot."
